ColourFastness to Light (1)		Rating	ISO 105- BO4	≥ 7	≥ 7	≥ 7	≥ 7
Fungal Resistance		-	Acti M/L 13	Pass	Pass	Pass	Pass

All data is based on our standard colours: Howard, Olive and Sand

(1) Based on results of Master samples tested annually to the ISO 105-B04 standard. These results are applicable to Riptech Howard, Olive and Sand products only.

Multiple colours are available

Fire resistant treatment available

Water repellent finish available

2 year warranty:

This applies to the entire range of RIPTECH® fabrics. The fabric is guaranteed for a period of two years, during which it covers any abnormal deterioration of the waterproofing properties and general structural integrity of the fabric, given a normal exposure to weather and that care and cleaning advices have been properly followed. The warranty includes the replacement of the fabric required to replace the product in question, excluding other expenses such as postage, sewing, labour and/or assembly. This warranty does not cover damages caused by accidents, mechanical action, rubbing, aggressive chemical agents, abuse and/or negligence. This warranty is applied from the date of despatch of the product from Finlam and any claim must be accompanied with the relevant roll number stating that the fabric used was RIPTECH®.

Please note that the information shared in this document is for general information only, and it is the responsibility of the customer to ensure that this product meets their specific requirements. The data in this document is for indication only and the product performance properties may vary. This document is not to be treated as a Certificate of Conformance. Finlam Technical will not entertain any damages claimed against them as a result of data expressed in this document.
